Dear Parents & Students:

Once again this year, it is my pleasure to offer private music lessons in piano, drums, guitar and various band instruments. For your convenience, the weekly half hour sessions are conducted during the school day.

Last year was particularly successful and I am looking forward to additional opportunities to work with students enrolled in the Kalispell Montessori School.

Please contact me at your earliest convenience to discuss fees and arrange a weekly schedule that best suits our mutual needs. Because of limited availability I may need to put you on a waiting list. I may be reached via email (holstonmarcy@gmail.com) or phone/text (406.253.1396).

## Student Band

4<sup>th</sup>- 8<sup>th</sup> Grade

This year, I will be offering Student Band to Elementary II and Middle School students. It is a great opportunity to explore playing a band instrument at a young age. Most schools do not offer this until the 6<sup>th</sup> grade.

The fee is \$40 per month. Band will meet at 8:45 to 9:15 on Monday and Tuesday mornings for 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> grade. If you are a beginner please contact me ahead and let me know if you're interested. If I have enough beginners I will separate them to meet on Wed. and Thurs. Unfortunately, there are not enough Middle schoolers to have band this year.

If you do not currently have an instrument for your child, I recommend Flathead Woodwinds and Brass at 406.755.9201 to discuss purchasing or renting the appropriate instrument. Please keep in mind the instruments for the band are brass (trumpet or coronet would be best) woodwinds (flute clarinet or saxophone) and percussion.

Start-up for Band will be Monday, September 23rd.

If you have any questions, please don't hesitate to contact me by calling, texting or email. I look forward to working with you and your child (or children!) to make this a rewarding year of music instruction for your children.

Cordially,

*Marcy Holston*
